ŽIŽKOV

WALKING LOOP FROM THE PROKOP-SQUARE HOTEL

RECOMMENDED ROUTE

1 day in Žižkov

Start your day with excellent coffee at the Japanese **café Sensu**, or enjoy an early lunch at the superb Italian **restaurant Nejpls**. Nearby you'll find the iconic **Aero Cinema**. Then continue through **Parukářka Park**, which offers beautiful views of the surrounding area, and walk across **Žižkov Square** to the **Žižkov Television Tower** — the tallest building in Prague with a panoramic view of the entire city.

From the tower, it's only a short walk to **Palác Akropolis**, a venue known for cultural events and concerts. We recommend a stop at the nearby restaurant **Porke**, which specializes in tapas. From there, head toward the **Church of St. Procopius** and continue via **Tachovské Square** up to the **Vítkov National Monument**. If the weather is good, we highly recommend staying here for sunset.

Vítkov offers several viewpoints overlooking Prague as well as a small park worth exploring. You can finish your day at the excellent Mediterranean restaurant **La Guste de Mare** — reservations are recommended. From there, it's only a short walk back to the Prokop-Square Hotel.
